ADPET WATCH DOG FOR YOUR CONVENIENCE

ADPET Watch Dog is specially formulated with the unique Watch Dog in mind and a complete and balanced dog food for all sizes and breeds.

Watchfulness and alertness as well as a lovely coat are of utmost importance. To assist in just that, we have included folic acid for alertness as well as rice to aid ease of digestion.

Furthermore, manganese is included for improved cell function, while the zinc and copper assist in maintaining a healthy coat and skin. **No artificial colourants and flavourants are used.**

With our extensive experience in the dog food market, we now offer you the convenience of having your dog food delivered to you.
